COURSE TITLE: CAREER GUIDANCE AND STUDY ABROAD CERTIFICATION

Are you passionate about helping individuals navigate their career paths and make informed choices about their futures? Do you enjoy supporting others in discovering their strengths, interests, and aspirations? If so, our Career Guidance and Counselling course might be the perfect fit for you!

“You see, in life, lots of people know what to do, but few people actually do what they know. Knowing is not enough, You must **take action.**”

Willy Merdiansyah
Friday, July 23, 2012 5:11 am

COURSE OVERVIEW: Our “Career Guidance and Study Abroad” course provides an in-depth exploration of theories, techniques, and practical applications in the field of career Counselling. Throughout this course, you'll delve into various aspects of career development, assessment tools, Counselling techniques, and ethical considerations essential for guiding individuals towards fulfilling and meaningful careers.

This comprehensive 16-week course offers 32 hours of intensive training in career guidance and study abroad counselling. Participants will engage in a blend of in-person and online instruction, supplemented by practical assessments, guest lectures, and a wealth of resources to facilitate learning.

Throughout the course, students will delve into key topics such as career planning, psychometric assessments, study abroad requirements, and counselling techniques. Assessment methods include weekly quizzes to gauge understanding, case studies to apply theoretical knowledge, practicum evaluations to assess counselling skills, and active participation in discussions and activities.

Participants will have access to theories, journal articles, and curated online resources to deepen their understanding of the subject matter.

Additionally, guest speakers from relevant fields will provide insights and expertise, enriching the learning experience.

The course includes all necessary course materials,
